

# GROVE WEEKLY BULLETIN

## Dear Parents and Carers,

A very Happy New Year to you.

It is lovely to see all of the staff and students return after the festive break. I would like to make a personal thanks to all parents for their support in upholding the uniform standards. Students look extremely smart walking around the academy and when we get the basics right everything else follows. Expectations will continue to be of the highest standard and I am looking forward to seeing how students progress over the coming term.

Year 8 will soon be making decisions around their Key Stage 4 courses, to support this we have an options evening starting at 6.30pm on Tuesday 15<sup>th</sup> January. I would actively encourage all parents and students to attend and look forward to seeing you there.

As part of the Academy Trust we are offering spaces to current Year 9 students for a trip to New York. This is a very exciting opportunity that will take place in October 2020 involving a trip to the Empire State Building, Statue of Liberty and the National History Museum to name but a few. Information for this has been sent out via email.

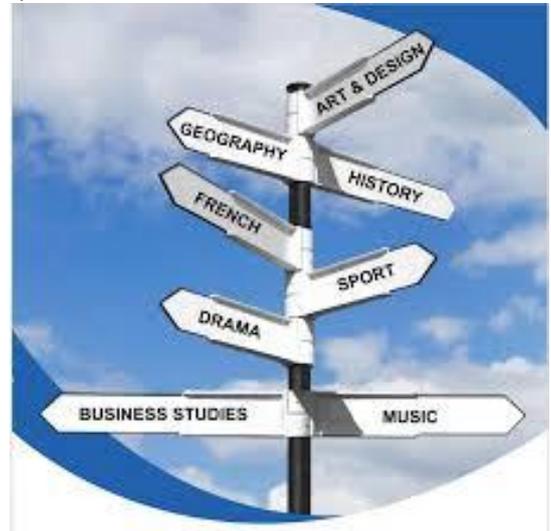

I am also very pleased to share with parents that we continue to see improvement in attendance across the Academy and this is one of our key targets for the coming term.

We are at a very exciting part of our journey. As we continue to work together as a community of parents, teachers, students and staff, the students at Grove School will flourish and have the opportunities available to them to succeed in life.

Mrs Taylor, Headteacher
