

Dear Parents & Guardians,

School Uniform Supply - 2020

During these unprecedented times, School's In (Trutex Meir) are working hard to ensure the availability of uniform for your child. As expected, there will be some delays with stock arriving later than normal with us. However, we are confident that all items will be with us, and all orders will be fulfilled in time for schools opening for the new term in September.

We will do everything we can to make everything as safe as possible for parents, children and our staff, working in accordance with the Public Health Guidelines.

**Please find listed below how we intend to supply your children's uniform over the next few months:**

#### SHOP STORES

Once the stores are open and until further notice it will be via appointment only. Appointments will be available for each store with 10 minute appointment slots, and will be booked via our website [www.schoolsinuniform.co.uk](http://www.schoolsinuniform.co.uk). Please make sure you are booking the right store appointment for the school you are purchasing uniform for. Our stores will be open for longer hours in July and August, these times will show on our appointment calendar. We ask you to arrive no more than 10 minutes before your appointment, so keeping social distance to a maximum outside the store. We will have to limit one parent or guardian to a maximum of 2 children requiring to purchase uniform. Unfortunately, no prams or pushchairs will be able to be in store or children not requiring uniform.

#### WEBSITE

Our website [www.schoolsinuniform.co.uk](http://www.schoolsinuniform.co.uk) has most of your school requirements, and orders can be placed now. During the month of June we are offering **FREE DELIVERY** on all orders. Please enter the following code **BTS20SHIP** to secure free delivery.

Please allow up to 3 weeks at the moment for delivery, we will inform you of any items which may take longer than this. We feel this is a great way to purchase your children's uniform if they are existing students who have grown out of their current uniform, and you are familiar with the sizes. **Please avoid ordering different sizes by guessing, as this will use up our limited stock for other customers! If unsure contact us for help!** Unfortunately, you will be responsible for the return postage on exchanges (via Paypal invoice) or making an appointment via our website to exchange within store.

#### IN SCHOOL POP UP SHOPS

We will be holding several pop up shops at many schools, please look at your school's website for dates we will be attending.

On your school website you will have a link to a calendar to make an appointment for your school pop up shop, the same guidelines will apply as if purchasing at our store. We do feel these events will be the **safest environment** to purchase uniform, as social distance will be at a maximum. Weather permitting, they will be held outside or in large school halls, with pop up changing rooms available. This will be the ideal way for children attending the school for the first time to purchase uniform. **We would prefer payment at both our stores or pop up shops to be made by card payment but cash can be taken.**

We look forward to seeing you soon. In the meantime, stay safe, and please don't hesitate to email me on [dave@schoolsinuniform.co.uk](mailto:dave@schoolsinuniform.co.uk)

Regards

**Dave Moulton**

Director  
School's In

(Formerly Trutex Meir)
